

Importance of Fundraising Events

The Importance of our Fundraising Events

HUGS organizes mission trips to underdeveloped countries lacking in adequate medical care. On these trips, volunteer Medical Doctors and Surgeons provide necessary plastic surgery to patients. For each mission trip, we require approximately 30,000 to cover expenses of travel.

To raise these funds, we organize and host several fundraising events throughout the year. Watch for information on these events and please consider attending these events. Your participation is essential to the success of our missions.
